

Ceyana Canoe Club

Canoe, Kayak, Trailer and Equipment Requests for 2012

Last updated 2012 Feb 04
by M. Lund

The Ceyana Canoe Club maintains a modest fleet of canoes, kayaks and trailers primarily for club education and tripping programs. Ceyana Canoe Club does loan boats to members, but does NOT provide boats on a "rental" basis and members are expected to assist with boat and trailer maintenance with chores as assigned by the Properties Chair or executive member. Members are expected to be very respectful of our VOLUNTEERS who support the borrowing of club gear and make their personal time available to assist with pick-up and return of gear.

The expectation in Ceyana is that by the second year of membership members will have begun to collect their own paddling gear, first ensuring they have appropriate foul weather and cold water gear and a small dry bag for day tripping, then their own paddle and pfd, and then once they have some experience under their belts purchasing a boat, flotation, and throw bags.

Policies

Club Canoe Booking Policies

- 1 - First priority is for club members (including 1st year members) booking canoes for scheduled club trips and programs.
- 2 - Character and/or Paddling Reference maybe required by the club executive member booking the gear out.
- 3 - Second priority is to personal trips, and these maybe limited. Person must be member of club for at least one full year and shown to be responsible paddler.
- 4 - Bookings must be made 14 days in advance of required dates.**
- 5 - Arrangements to pick-up the canoe must be made 7 days in advance of pick-up.
- 6 - Club members are to complete minor repairs to borrowed gear/boats/trailers.
- 7 - Anything beyond minor repairs: you break - you've bought! You are expected to replace damaged gear, canoes or trailers with a similar item, boat, trailer, etc. of similar condition.**

**Members borrowing club boats should plan on bringing their own bailers (old bleach bottle - cut out for canoes, and sponges for kayaks!*

**Members taking canoes or kayaks out for White Water paddling MUST provide their own helmets. A Climbing helmet or bike helmet is acceptable, but it must fit properly.*

Equipment Purchases supported by:

Government
of Alberta ■

North Canoes & Trailer Loan Policy

- 1 - Canoes & trailers are loaned to ONLY Ceyana Canoe Club members, who have demonstrated North Canoe skills and experience appropriate to the proposed trip/use of the canoe(s).
- 2 - Canoes and trailers are loaned on a return in "as is, or better" condition. In addition the Properties Chair will request each borrower to complete some maintenance work on the canoe(s) and/or trailer, even if not damaged or showing any wear from a loan/use.
- 3 - For requests of greater than eight (8) days and/or for use more than 400 km from Edmonton ALL the expected paddlers of the canoe must be Ceyana Canoe Club members.
- 4 - The spring scheduling of the canoes shall strive to ensure the maximum number of canoe club members, who meet the above and place a request to the executive by March 1, have access to the canoes over the summer.
- 5 – Extended booking requests should be received by March 1 of each new paddling season and will be approved at the next club executive meeting.

For 2012 Bookings contact:

- 1 - Doug Kelker <equip@ceyana.ca> ph. 780.435.2027
